Subject: Letter of Recommendation, Mr. Simon Orenbach

I highly recommend Mr. Simon Orenbach for professional advancement. I had the extreme pleasure of receiving assistance from Mr. Orenbach through my tenure in a diplomatic post at the U.S. Embassy in Brussels, Belgium. As a licensed psychotherapist, he superbly assisted my family with various needs. I was also privileged to assist at one of his professional "improving the work place" training seminars. He is superb public speaker, with great motivational skills, very much appreciated by the 30-person work force that he trained during those three days.

Energetic, team-focused, innovative, he shows all of the qualifications necessary for professional advancement into senior management. He is culturally diverse, fluent in English/French, fully adaptive to American and European work styles.

Mr. Orenbach is an exceptional resource who brings enormous capabilities and sheer hard work to the table. Any organization stands to gain a dynamic, committed professional, with a continued bright future. I can be reached at work tel. (32).2.724.3217, or home tel (32).2.735.4540, or e-mail: liskasw @state.gov, should you have any questions.
